Website Report

July 19, 2021 GC Business Meeting

1. In the month of June, we had 7,578 views of the website which is comparable to the views in May. The highest number of views in the last 30 days were:
 - Home
 - Script and Slides
 - Contact List
 - Survey Results
 - Boundaries Check-in Information Meeting
2. Pages added to the site since the last report were:
 - Position Description Reports
 - The 12 Concepts of Service
 - A Review of the Meeting Script (added by Jim)
 - Script Revision Continued (added by Jim)
3. The Room Host training page has been modified. We'll be looking at how often we want to do training and whether there is a better day/time.
4. The service form was modified because the address was receiving a large number of spam emails. A Captcha box has been added to the form which should alleviate the issue.
