NOTES: There is an immediate need for a Meeting Chairperson for both Monday and Wednesday. Additionally, we do not have a Key holder for the weekdays. Each member that Hosts a Breakout Room, please rename yourself putting the number of your room in front of your name. This is very helpful for the Tech Host. **Unscheduled members offering to host a Breakout Room, just for the day, please put the number 0 in front of your name.** The Tech Host will be able to message you about hosting.
