

WEBSITE REPORT

DECEMBER 20th, 2021 GC Business Meeting

Submitted by Conrad J.
website@acamorning.org

1. In the month of November, we had 4696 views of the website which is slightly higher than the 4153 views in October. The highest number of views in the last 30 days were:
 - Our Meeting
 - Script and Slides
 - Home Page
 - Contact List
 - The SMR Service Schedule
2. There were no new pages added to the site since the last report.
3. The Akismet plug-in that was purchased and activated for one month (October) to reduce comment spam has now expired. The group bought it for one month only and should decide whether to purchase for the whole year. 23 spam comments were blocked - 1 missed (97.56% accuracy) while the plug-in was active. The price is \$14/mo or \$11.67/mo with a yearly plan. * update - I believe it was decided in the last GC meeting to purchase this plug-in but that has not yet happened.
