

WEBSITE REPORT

JULY 18th, 2022 GC Business Meeting

Submitted by Conrad J.

1. In June, we had 3581 views of the website, slightly less than the 4078 views in May.
The highest number of views in the last 30 days were:
 - Our Meeting
 - Home Page
 - Script and Slides
 - Contact List
 - Ubuntu Warriors

We had a brief problem with the website being down but could restore to a backup copy (our website gets backed up every day) for instances like these. Thanks, Wendy.

We posted various submissions for special events and meetings from our members.

In service,
Conrad
