1. In August, we had 3989 views of the website, slightly less than the 4290 views in July. The highest number of page views in the last 30 days were:
  - Our Meeting
  - Contact List
  - Script and Slides
  - Home Page / Archives
  - Bill of Rights

The site continues to be a helpful communication hub for the meeting as evidenced by the most viewed pages.

The page views for August 2022 (3989), are consistent with where they were in August 2021 (4017). 28 more views in August last year and meeting membership and attendance have bloomed.

T/w made a small edit to the history of the meeting. The meeting has grown to over **300** (\*previously said 200) participants during its short existence.

In service,  
Conrad
