

Service Report 05/15/2023
Strengthening My Recovery (ACA WEB0120)
Co-Secretaries: Boaz and Krista
Service Team Members: Conrad, Pam N., Will B.

Room Hosts are needed daily but all other calendar positions are full at this time.
A Room Host Training was held April 15. Next is in June, date TBD.
The next Room Host Round Table will be held May 21.

Since May 6, 2023, captioning has been provided for hearing impaired accessibility. The following announcement has been posted daily:

SMR Morning Family, We are testing the zoom captioning feature, to be voted on at May 15 business meeting. Captions are in real time for those who click on "CC" in their personal control panel. Captions disappear immediately and cannot be saved. Questions can be addressed to service@acamorning.org

Do we need to vote whether to continue captions?

If we continue captions, would it be worth indicating in our group description on the WSO website so adult children are made aware that our meeting is accessible to the hearing impaired?

May 13 marked six months for Krista and my term as service co-secretaries. The position description states: "Position is held for 6 months, with option to renew for 6 months"

Krista has stepped down. The position calls for co-secretaries, and there are no provisions for one stepping down and the other renewing.

I would like to renew for 6 more months and have asked Caitlin to replace Krista as Service CoSecretary for the remainder of my term. Do we have an election for her?

Another alternative is that I step down now and we announce the need for filling the Service Co-Secretary position with two new elected servants.

How would we like to proceed?
