2. Posts added to site in the last 30 days are Vote at the SMR Service Election, Proposal Vote (Monday to Sunday), 2024 SMR Anniversary Program, WSO Steps Survey, and the WSO Ballot Proposals.

3. Updated the training date notice on the website to reflect the canceled class.

4. Contact list document posted.

5. Anti-spam CleanTalk is working well & at a much lower cost and is recommended in place of Askimet. Unsure if the Wp Basic Forms has been paid or not?

Continue to meet weekly with website administrator Wendy. I plan to stand in for the WebServant service position at the next SMR group nomination/election.
