

# Website Report April 2025

April 20, 2025

GC Business Meeting

Unsure why, but the activity totals are off this month, possibly due to some reconstruction work happening on our website, such as setting up a new website staging site. Some rework has begun with organizing the pages, streamlining the information, adding more visuals, new graphics and making the website much more user friendly.

The meditation slide deck has been updated to reflect the recent vote on updating these slides. Otherwise few if any posts were added to the website this period, due to preparing for the transition to a new look on our website. Lots of work behind the scenes is being done.

The website working group meets on Thursdays if you are interested in joining us, please feel free to email: [website@acamorning.org](mailto:website@acamorning.org).

Respectfully in service,  
Staci W. (NC), EWS
