

Strengthening My Recovery Meeting

ACA WEB0120

Script Review, 2025

First Step - Call for Suggestions

Comments and suggestions were called for and announced regularly in the SMR Meeting. This phase was open for the month of March.

Hello Friends,

Below is the script for our ACA meeting. We will be offering suggestions to update the language and information, in accordance with the recently passed motion.

To offer comments or suggestions for updates to the script, use the comment feature in this document. Highlight the passage, then click on 'comment'. You may also offer comments on the web post listing the motion, where it says, Leave a Comment.

NOTE: As comments are received, they are placed into the script as suggestions, highlighted in green.

After we receive all the suggestions, we will have an opportunity to discuss the changes and then put them before the group for adoption.

Motion 25-2: Daily Meeting Script Review:

I move that the script we use at our SMR meeting be reviewed, edited and brought before the membership for voting; that the method of updating the script follow the process used previously; and that beyond minor edits, an opportunity to announce group service needs, for 2 or 3 minutes, be incorporated into the 'pre' or opening of the meeting.

The process used in the original script revision is outlined and explored in this document:

[2021 Script Review.](#)

Now, in 2025, there were 60 suggestions made to improve the SMR Meeting Script. Here is the script that we are reviewing:

Second Step - Discussing the Suggestions

The next step will be for interested members to gather to discuss the suggestions that have been made for improving the script. These discussions will be done in 4 sessions as indicated in the script above.

The goal is for the members to discuss the suggestions and to make a choice, a group conscience, regarding the script change. The choices are:

- Accept the suggestion as written
- Accept the suggestion in an edited version
- Not accept the suggestion
- Choose to decide in Session 4

The discussions will happen in a breakout room after the SMR meeting. The schedule, as listed above will be:

Thursday, July 17th - Session 1

Wednesday, July 23rd - Session 2

Thursday, July 31st - Session 3

Wednesday, August 6th - Session 4

The results of the discussions will be posted on the Website.

Third Step - Adoption by the Group

Finally, the revised script will be brought before the group as a proposal for adoption, posted on our website. It will have the typical comment period followed by a vote.

At that point we will likely have a new meeting script to publish on our website.
